

Pastor's Message
January Newsletter

We have entered the New Year! New Year is a time for each one of us to pause and reflect on both the challenges and the blessings of this past year and to thank God for bringing us to this year. It is also a time to plan for a Good New Year.

It has been a blessing to me to be Pastor to you, the congregations of Neighbors in Christ, through 2024 and to be entering into this New Year with you.

As we enter this new year, the Annual Meetings of our congregations will take place. These meetings are also New Years Meetings. That is, they are assemblies for each congregation to reflect on its life and ministry during 2024 and to plan for its life and ministry in this New Year.

My prayers for blessings on our Annual Congregational Meetings and for our work together as Neighbors in Christ for the coming year.

Peace be with you,

Pastor Leonard
